- 10:30-13:30** Guided visit to Albayzin for Group 1
The Albayzin is a "morisco" neighborhood of Granada, declared Inheritance of Mankind by the Unesco. The guided visit will take two-three hours walking but you may, of course, leave at your convenience. By taxi you may reach your hotel in 10-15 minutes. The pavement is irregularly stoned so you are advised to wear comfortable shoes. Please indicate as soon as possible your choice.
- 10:30-13:30** Guided visit to Granada monuments for Group 2
For those of you that prefer to visit Renaissance and Baroque monuments of Granada there will be special Group. It depends of the guide but probably you will visit "La Cartuja", "Hospital Real", "Monasterio de San Jerónimo", "Basilica de San Juan de Dios" and the "Cathedral". The guide will take you to the restaurant "Las Tomasas" and join Group 1 for lunch. Please indicate as soon as possible your choice.
- 13:30-15:30** Lunch in the terrace of the restaurant "Las Tomasas" for both groups. Carril de San Agustín, Albayzín.

Please do not hesitate to contact me, Salomé Cisnal or David Turco should you need any further information.

My best personal regards and hope to see you soon in Granada.
