Re: Next meeting (Sorrento, May 1-4)

Dear fellow Alumnae and Alumni:

The Superintendent of Pompeii indicated at the end of last week that the site of Pompeii together with other archeological sites would be closed on May 1st. We thus had to reschedule somewhat our program. Please also note that we will come back later at the Hotels on Thursday evening and earlier on Friday. You will find hereafter our updated program for our next meeting. We have also inserted a small map showing the location of our hotels and of O'Parrucchiano, the restaurant where we will have dinner on Friday night, so that you can substitute this third circular letter for the second one.

Very few of you have registered with Russo Travel in order to book a taxi to and/or from Sorrento. As a result of this, we have been unable so far, to arrange for shared transportation.

Please note that this will be a fairly busy weekend. If you need transportation and want to make sure you do not wait in line and are able to the extent possible, to share transportation to Sorrento and/or back to the airport on Sunday, I urge you to contact Russo Travel Agency as soon as possible and ask Marco Biasini to arrange transportation for you for the day of your arrival as well as for the day of your departure, indicating that you wish, to the extent possible, to share a taxi with another member having the same arrival and/or departure time.
