outdoors, it might be advisable to protect your head and eyes from the sun. Umbrellas are forbidden in this place and the trees do not protect from the sun all the tables.

- 15:45-16:45** Business meeting at the conference room of Palacio de Carlos V, only for members.  
After lunch and coffee, all members will be kindly requested to attend the business meeting. We have chosen the conference room of the "Palacio de Carlos V" as it is near the "Parador". The building is a Renaissance palace that deserves to be visited. The Museum of the Alhambra and the Museum of Paintings ("Museo de Bellas Artes") are in the same building.
- 15:45-16:45** Visit to Palacio Carlos V and Museum of the Alhambra and Museum of arts and paintings.  
This visit is optional and might be an idea for non members during or after our business meeting.
- 20:00** Buses leave from Hotel Santa Paula and Parador de San Francisco to visit "Palacio de los Córdoba" and continue to Restaurante La Chumbera. Hotel Casa Morisca is near the "Palacio de los Córdoba" and those of you staying there may walk to it. After a short visit to this palace-house, we will continue by bus, no more than five minutes, to the gypsy neighborhood of "Sacromonte", where the gala dinner will take place.
- 21:30** Gala dinner and Flamenco show (*zambra*) at "Restaurante La Chumbera". Camino del Sacromonte s/n. All restaurants in this area of "Sacromonte" are caves that were used, and some continue to be, as housing for gypsies. "La Chumbera" is one of the restaurants with a beautiful view of the city of Granada and the monument of the Alhambra.  
The "Zambra" is a flamenco party but is not a flamenco show for tourists. Of course it will be music and dancing with flamenco flavor but we will learn something more about this exciting and interesting art. Both the dinner and the show will be indoors.
- 24:00** Buses leave for Hotel Casa Morisca, Hotel Santa Paula and Parador de San Francisco
- Sunday, 12th May**
- 10:15** Buses leave from Hotel Santa Paula and Parador de San Francisco to Mirador de San Cristobal for a walking visit to Albayzín
